

1 **Clinical Practice Guideline:** **Selected List of References – Physical Therapy**
 2 **and Occupational Therapy**

4 **Date of Implementation:** **October 10, 2006**

6 **Product:** **Specialty**

9 The following references are representative of the core documentation and research
 10 foundation within the physical therapy and occupational therapy (PT/OT) professions that
 11 form the support for American Specialty Health – Specialty (ASH) adopted Practice
 12 Parameters and Review Criteria, as well as the clinical section of the ASH PT/OT
 13 Provider Operations Manual. New evidence based references may be added as they
 14 become available.
