8 American Specialty Health – Specialty (ASH) uses current industry standard coding sets
9 including the International Classification of Diseases (ICD), Current Procedural
10 Terminology (CPT), and Healthcare Common Procedure Coding System (HCPCS), for
11 reporting diagnoses, procedures, and other services. ASH's use of such coding sets does
12 not imply endorsement by the World Health Organization, the American Medical
13 Association, or any other entity of ASH or its policies and procedures.
